DEPARTMENT OF THE ARMY
CALIFORNIA ARMY NATIONAL GUARD
HEADQUARTERS, CAMP ROBERTS
CAMP ROBERTS, CALIFORNIA 93451-5000

CACR-CDR (101) 4 April 2007

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Commander's Critical Information Requirements (CCIRs)

1. **Report information on the following type incidents immediately to Security (805-238-8190) and/or DPTMS (805-238-8206).** In turn, they will immediately notify me at 805-391-0681 or else the deputy commander at 805-391-0302, and send a Serious Incident Report (FFIRs) to the JFHQ-JOC.

2. **Friendly Force Information Requirements (FFIRs):**

- Any political, economic, military, or sociological event (natural or man-made) that may cause or result in a request for California National Guard, Governor's Office of emergency Services, or California Office of Homeland Security support.
- Any act of terrorism or indication of an imminent act of terrorism in California or the United States.
- Any Chemical, Biological, Radiological, Nuclear, or High-yield Explosives (CBRNE)-related accident or incident in California or the United States.
- Any physical attack/break-in on California National Guard personnel, facilities, or equipment; or any Denial of Service (DOS) computer network attacks.
- Any Class A accident involving California National Guard personnel, vehicles, aircraft, or equipment.
- Any loss of a sensitive item, classified material; or damage to a California National Guard, Federal, or State Sensitive Compartmented Information Facility (SCIF).
- Any contact by a state or federal elected official, state or federal agency head, 3 or 4 star flag officer, or news media organization.
- Any degradation in the ability of the California National Guard to execute assigned MSCA missions in the US.
- Any increase in the threat level of the Homeland Security Advisory System or Military Force Protection.
- Any incident that may bring attention to, or cause embarrassment of, the California National Guard or the Governor's office as a result of National Guard actions or conduct.
- Any loss of IDS protection for weapons and ammunition.
- Any change to arming orders (AO) or rules for the use of force (RUF) by subordinate commanders.
- Any death or life- or limb-threatening injury to a California National Guard member, employee, or civilian (caused by a CNG member or employee).
- Any negligent/accidental or intentional discharge of a weapon.

3. **Priority Intelligence Requirements (PIRs):**

- Identify and report the presence and identity of groups or individuals that could carry out offensive terrorist operations and/or criminal acts against Camp Roberts.
- Identify and report possible surveillance of Camp Roberts.
- Identify and report incidents of intrusion, trespass, and vandalism.
- Identify and report destruction, threats, and violence directed against Camp Roberts.
- When is a terrorist organization or lone operative most likely to attempt an attack or incursion on MTC?
- Where is a terrorist most likely to gain access to MTC?
- What MTC or post facilities are most likely to be targeted?
- What type of weapons, devices, or intrusion methods is a terrorist most likely to employ?

4. **Essential Elements of Friendly Information (EEFI):** This is information we don't want the terrorist to know about us.

- Size, location, and readiness of SECFOR and the QRF (Quick Reaction Force)
- Random Anti-Terrorist Measures Program (RAMP)
- Assembly Area for the QRF
- Vulnerabilities of the MTC perimeter
- Location and Function of all Mission Essential Vulnerable Areas (MEVAs)
- Details regarding troop deployments

5. Point of contact is the undersigned at 805-238-8201.

JOHN F. SMITH
COL, FA
Commanding
