

Position Responsibility Summary:

The Central Security Control (CSC) located in Cupertino CA serves as the focal point for the monitoring and analysis of risks that may affect the operations of a global corporation. The CSC provides timely communications and actionable intelligence for company leaders to support the protection of people, infrastructure and the business.

The **CSC Operator**, under guidance of CSC Supervisor, is responsible for monitoring the safety and security of the corporation's employees, facilities and property worldwide. Using variety of tools that range from global access control and alarm monitoring system to various business intelligence sources, open source media, internet and in-house tools, the Operator is required to detect, analyze and alert others regarding any adverse conditions to the corporation and its employees. These may range from extreme weather conditions to political instability, crime, terror, or technical failures

Essential Job Functions:

- Assisting company employees in all concerns that pertain to safety and security
- Conducting ongoing review of multiple systems and sources to detect potential risks
- Monitoring travel safety and security of company's employees
- Investigating alarms and responding by sending patrol, or alerting Fire services or Police as needed
- Notifying and coordinating corporate response by distribution of advisories and other communications
- Compiling daily reports and incident reports
- Conducting in-depth risk analysis for locations or events
- Presenting complex risk scenarios to corporate managers upon request

Qualifications:

- High School diploma and some college (AA).
- Strong Customer Service skills
- Excellent written and verbal communication skills.
- Some experience in conducting research/analysis.
- Ability to multitask in a fast paced, at times stressed work environment.
- Strong team player.
- Comfortable with high-tech work environment, and constant learning of new tools and innovations.
- Flexibility to work all shifts, and willingness to assist the team with overtime when needed.
- Good working knowledge of Office tools
- Must possess valid California Guard Card

Benefits:

- \$18 per hour
- Full time with benefits
- 401k plan
