

Solar City Job Announcement

Job Title:	Certified Electrician
Location:	Berkeley, California
Job Type:	Full time
Salary:	\$20-25 per hour

Job Description:

The Certified Electrician will provide leadership and technical expertise for a photovoltaic installation team (three-person crew). In this position, the Certified Electrician will communicate the necessary job status data to the SolarCity operations management team to assure the successful operation of complete and working systems. The ideal candidate will also lead efforts for safe working practices for the SolarCity installation team.

General Information:

- This position reports to the Director of Human Resources and also has a dotted line responsibility to the Regional Directors.
- This position will be based in our Berkeley warehouse office but requires travel to regional offices about 75% of the time. Most travel can be done via auto so candidates must possess a valid driver's license with a clean driving record and their own personal vehicle.

Minimum Qualifications:

- A **Certified Electrical License (C-10)** is required, and a minimum of five years of relevant work experience.
- Previous experience installing photovoltaic systems preferred.
- North American Board of Certified Energy Practitioners (NABCEP) certification preferred
- Excellent customer service and communication skills, both written and verbal
- Exercises a high level of professionalism and a positive demeanor
- Capable of lifting 50 lbs
- Must be able to pass a drug screen and criminal background check.
- Clean DMV driving record
- Must have strong written and verbal communication skills.

If you would like to apply to this position, send your resume immediately to ngcajobs@ng.army.mil and state you are applying for this position, or you can call The Work for Warriors staff @ 916-854-4426.
