Federal Reserve Bank of San Francisco

Veteran Career Forum

If you have a minimum of one year of work experience in a security related field and a commitment to team work, we believe you can make a difference. The FRBSF is searching for committed security professionals to join our team. Ideally, candidates will have military experience, a high school diploma or GED, and be 21+ years of age.

We are seeking highly qualified professionals to be a part of the law enforcement unit as well as other operationally focused departments at the Bank. The law enforcement unit's mission is to professionally protect and provide a safe and secure environment for Bank staff and others on the designated property, exercising teamwork and extending excellent customer service. All Federal Reserve Police Technicians must pass a fitness for duty physical examination, background check, and drug screen.

If you would like to participate in this exclusive event, please **apply online by August 31st, 2012 at:** <http://goo.gl/bz08b>. Qualified candidates will be contacted by e-mail with specific details about event logistics and format of the evening.

Light refreshments will be served.
