### **California National Guard Assists in Search for Missing Woman**

The California Air National Guard's (CNG) 129<sup>th</sup> Rescue Wing launched one HH60 Pav Hawk helicopter and crew this morning to assist the Solano County Sheriff's Office in its search for a missing woman near Vacaville, California.

The 20 year old woman was reported missing from a Vacaville group home for developmentally disabled adults around 3:30 pm on Tuesday. Solano County Sheriffs called on the 129<sup>th</sup> Rescue Wing after an unsuccessful overnight search with teams of sheriff's deputies, search and rescue personnel, tracking dogs, terrain vehicles, and a CAL STAR helicopter. Solano County Sheriff ground crews resumed their search today at 6:00 am, about two hours before the CNG's helicopter launched.

The woman, 20 year old Storme Palmer, was found unharmed late this morning by a local resident, and was transported to a local hospital to be medically cleared. The helicopter and its crew have returned to home station.

If you have any questions regarding this, or any other matter pertaining to the California National Guard, please contact Major (Retired) Darrin Bender at (916) 854-3705.
